Dear Parents/Carers

May 2024 Newsletter

A big thank you to everyone who has supported the Sponsored Fun Run. We are very pleased to announce that we have raised £1150 to be spent on new iPads. Thank you for your support and fundraising.

Well done to all the Year 6 children for their hard work and dedication in preparation for SATS week. We are so proud of you all and we know you will be very successful.

Bake Off Competition

Thank you to everyone who entered our Bake-Off competition. There were many delicious entries in all of the categories. Our Governor who was judging the competition had a very difficult decision to choose the winners and highly commended positions. The cakes were sold in the Litton Tearoom during the following afternoon and FOLS raised £450.

Science Week 20th May – 23rd May

We will be having our Science week next week. We have secured from ecologist and soil scientist as well as a special visit from a Barn Owl. As part of this special week, the Science Ambassadors will be running a whole school competition promoting the protecting of our planet. Your child will come home with an A3 piece of paper to complete their poster and the deadline for returning their designs is Wednesday 22nd May to Mrs Salt. The winners will be announced on Friday family assembly.

School Visits

Letters have been sent out with details for the KS2 visit to the English Institute of Sport and the EYFS/KS1 visit to the Peak Wildlife Park on Tuesday 4th June. We are also planning another visit on Thursday 27th June but the venue still has to be confirmed.

Infant Swimming

On Tuesday afternoons, all the Infant children attend Bakewell pool for their swimming lesson. If there are any parents (with an up-to-date DBS check) who are available to help with swimming on Tuesday afternoons, **your help and time will be great appreciated.** There is a sign-up sheet on the wall in the cloakroom corridor and please add your name onto any weeks you are available to help.

Early Risers Breakfast Club

We still have spaces available for Breakfast Club next term if you are interested in your child(ren) attending. We serve breakfast until 8.15am and there is a choice of cornflakes, slices of toast with

Derbyshire Healthy Schools
Community Award

butter and jam and orange juice or water. Please can parents ensure the balance is paid at the beginning of each half-term unless you are using childcare vouchers. If you wish to make any changes to your child/ren's days or hours, please let Mrs Robertson know in advance.
