

Christian Values in Maths

| Love | Compassion | Respect | Faith | Belonging |
|---|---|---|--|---|
|  |  |  |  |  |
| <p>Creating – Using mathematical skills without fear of right or wrong. We aim for our pupils to LOVE their maths by using different types of maths strategies.</p> | <p>Inspiration - Looking to others to help us improve and help others.</p> | <p>Respect – Respecting and celebrating both our work and that of our peers. Respecting the natural resources around us.</p> | <p>Persevering – Keep trying and practicing to perfect skills in all areas of maths. No skill is achievable instantly.</p> | <p>Teamwork – Working together to develop mathematical skills to create an interesting result.</p> |
| <p>Imagination – look at things in unusual ways.</p> | <p>Generalisation - Spotting patterns and adapting them to develop mathematical skills.</p> | <p>Open mindedness – Being open to appreciating the work of others and the similarities and differences in techniques.</p> | <p>Making mistakes – Enjoy things that go wrong and learn from them.</p> | <p>Community links –in local events to support and showcase any maths projects.</p> |
| <p>Cross curricular links – using maths to support learning in other curriculum areas.</p> | <p>Compassion – Understanding that we all have our own experiences, talents and opinions when it comes to mathematical skills.</p> | <p>Tolerance – Understanding and respect for others.</p> | <p>Self -confidence – Mastering and celebrating mathematical skills, by showcasing work increases your self-belief and growth mind-set.</p> | <p>Expanding horizons – developing appreciation and understanding of other cultures and maths.</p> |
