

Knowledge Organiser: KS1 Food, Glorious Food!

History of Shopping

Food shopping has changed over time. 100 years ago, people went to a market, farmshop or grew their own food. Now, these are lots of different ways to buy food such as at a supermarket or even online!

100 Years Ago

Today

Food Origins

All of our food comes from plants or animals.

We can buy our food from farms, shops, markets or supermarkets. The food that we eat can often have travelled thousands of miles.

- Milk comes from a cow.
- Eggs come from a hen.
- Beef comes from a cow.
- Apples come from a tree.

Did you know?

We should try to recycle food packaging when ever we can.

Shops

In the past you had to visit different shops to buy different types of foods.

bakery

greengrocer

grocer

butcher

chemist

fishmonger

Global Goals Responsible consumption and production

We need to look after what our planet provides us with, and not waste or misuse it.

Knowledge Organiser: KS1 Food, Glorious Food!
