Leavers Service Wednesday 23rd July at 9.15am

We are holding a Year 6 Leavers Service in Litton Church on **Wednesday 23rd July at 9.15am**. Please come and join us. After the Church service, all the Year 6 children and their families are invited to the village hall for tea, coffee and cake to celebrate their time at Litton School.

A message for Year 6 parents for any children will be starting Lady Manners School in September. Mobile Phones. We have been asked to pass on this message.

Lady Manners School is committed to creating a safe, positive and distraction-free environment for all our students. In helping us do that, we do not allow mobile phones during the school day. Year 7 students will not need a smart phone in school. We understand that some parents/carers may wish their child to have a phone for safety on their journey to and from school. Students are permitted to carry a phone for this reason. However, once on school premises, phones must be switched off and stored securely in bags or lockers. Mobile phones should never be seen or used during the school day. This is also the case for smart watches, fitbits and ear pods. If a student needs to contact home during the school day the form tutor or a member of pastoral staff will facilitate this communication.

Finally, we hope you have an enjoyable summer holiday. Good luck to all the Year 6 children who will be starting secondary school in September. We will miss you. For Years 1-6, we look forward to seeing you all on Monday 8th September at 8.50am. Our new Reception start on Tuesday 9th September.
